Rose:

The actual document is not available yet. This is just the announcement that it is forthcoming. I don't know the timing on the availability of the document except to say "soon."

Subject: Where is the actual guidance document? Guidance for Plant Regulator Label Claims, Including Plant Biostimulants.

Hi Russ,

I am getting questions on the actual location of the, draft guidance document, entitled "Guidance for Plant Regulator Label Claims, Including Plant Biostimulants.", https://www.epa.gov/sites/production/files/2019-03/documents/pre-pub-copy-9986-27_18p-0273.pdf

Please email me the pdf, and the URL to the direct document that few of us can seem to locate.

Thank you
